Process Explanation

Disbursal Process	Once the loan amount is raised the funds are then transferred to the field partner. The process of distributing the loan amount by the field partner is called the disbursal process
Redemption Process	When an investor wants to withdraw his investment from Rang DE, he/she sends a request which is then processed and amount transferred into their account
Submission Process	Submission Process involves the transfer/updating of borrower details onto the Rang De Dot Net website from the borrower application form
Editing Process	Involves conversion of new borrower data into presentable format. Performed mainly by free lancers
