| FP | Field Partner |
| KPI | Key Performance Indicator |

Process Explanation

| | |
|-----------------------|--|
| Disbursal Process | Once the loan amount is raised the funds are then transferred to the field partner. The process of distributing the loan amount by the field partner is called the disbursal process |
| Redemption Process | When an investor wants to withdraw his investment from Rang DE, he/she sends a request which is then processed and amount transferred into their account |
| Submission Process | Submission Process involves the transfer/updating of borrower details onto the Rang De Dot Net website from the borrower application form |
| Editing Process | Involves conversion of new borrower data into presentable format. Performed mainly by free lancers |
| Publishing Process | Once the Profiles are submitted by the editors, the team screen and publish them on the website. This process is called as Publishing process |
| Fund Raising Process | Once the profiles are published on the website, it remains there for 30 days for raising the funds online. This process is called as Fund raising process |
| Fund Transfer Process | Once the funds are raised for all the profiles of a group, the Funds are transferred to the Impact partners. This process is called as Fund Transfer Process |
